AMERICA

The Garden State Council operates under, and promotes, the mission and vision of Scouting America.

MISSION STATEMENT

The mission of Scouting America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

THE SCOUT OATH

On my honor I will do my best
to do my duty to God and my Country and
to obey the Scout Law;
to help other people at all times;
to keep myself physically strong,
mentally awake and morally straight.

THE SCOUT LAW

A Scout is trustworthy, loyal, helpful, friendly,
courteous, kind, obedient, cheerful, thrifty,
brave, clean and reverent.

GARDEN STATE COUNCIL IMPACT

The vision of the Garden State Council is to provide exciting, fun, and values-based experiences of the highest quality to as many youth as possible. Our mission is to deliver exceptional youth programs focused on character development and leadership training, empowering young people to make ethical decisions and reach their full potential, so they can better serve their families, communities, and country.

The Scouting Edge

The Scouting Edge, a study by The Harris Poll for Scouting America, underscores Scouting's significant impact on ethical behavior and civic engagement. The research shows that Scouts and alumni are more likely to engage in constructive behaviors and uphold stronger ethical values than their peers who haven't participated in Scouting.
