Ken Dunek and Tiffani Worthy, to Be Honored as 2026 Burlington County Distinguished Citizens

Westampton, NJ [August 25, 2026] — Scouting America's Garden State Council will recognize two accomplished South Jersey leaders — Ken Dunek and Dr. Tiffani A. Worthy, PMP — for their contributions to business, media, philanthropy, and community service. The 2026 Burlington County Distinguished Citizens Award Reception will take place on Wednesday, September 23, 2026, at 6:00 p.m. at Deerwood Country Club in Westampton, NJ. Proceeds from the event benefit Scouting America Garden State Council, which serves more than 4,500 youth annually across southern New Jersey through programs that foster leadership, character, and lifelong skills. The reception offers business, civic, and community leaders an evening of celebration while investing directly in the next generation of leaders.

“Dr. Worthy and Ken represent the very best of what it means to lead with purpose,” said Patrick Linfors, Scout Executive and CEO of the Garden State Council. “Their dedication to their professions, their communities, and to lifting up others reflects the same character, service, and leadership that Scouting works to instill in every young person we serve.”

Presented annually, the Distinguished Citizens Award celebrates individuals whose leadership strengthens communities and serves as an example to the next generation of Scouts. The evening will bring together business, civic, and community leaders for a networking reception, a cocktail reception, and dinner. Tickets and sponsorship opportunities are available at www.bit.ly/BCDCA-WEB.

A former professional football player in both the NFL and the USFL, Dunek built a career on the same discipline, teamwork, and drive that defined his athletic career, now channeled into elevating the stories of leaders across the region.
